

CAMCORDER *Small Wonder*

EZ105

The Every Day Camcorder
for Every Age Group

EASY TO SHOOT

Ready To Go (No Tapes Needed, No Charging Needed) – Just insert two "AA" batteries and you're ready to start capturing memories

Point-And-Shoot Simplicity – Just aim and press RECORD. A great camcorder for all age groups and for anyone on the go. Take it roller blading or biking

Instant Playback/Delete – So you can see what you just shot and delete it if you don't want it

Built-in Memory – Holds up to 60 minutes of video clips. No tapes required

EASY TO SHARE

Resolution Option – Record up to 60 minutes at Standard Resolution or up to 30 minutes at High Resolution

Easy TV Viewing – Watch your video clips on TV by connecting the camcorder with the included AV cable

Built-in Simple Software – Camcorder comes complete with integrated software in memory. Simple software allows you to download video through high-speed USB connection and email video clips to family and friends. Activates automatically when camcorder is connected

EASY TO SAVE

Convenient USB Arm – Allows quick connection to PC for easy viewing or downloading of video clips

Simple Downloading – Convenient USB arm allows quick connect to PC or laptop for easy viewing and archiving of video clips

No Computer Needed – Users that have no computer can take camcorder to any Pure Digital Processing lab and have a DVD created while they wait. DVD can be played on a home DVD player and shared with friends or family
