# *ColorPage-SF600*

**Portable Image/Document/E-mail/BCR Sheetfed Scanner**

*Genius*

The **ColorPage-SF600** is designed specially for Notebook users. It is compact enough to fit neatly on your desk and you can store it easily alongside your laptop or in your notebook bag. With its astounding 600 x 1,200 dpi resolution and 48-bit superior color, you get high quality images as well as a good looking scanner.

The **ColorPage-SF600** can also be used anywhere because it is powered through the USB cable. It is not only powerful enough to scan, but it includes software to organize all of your documents, photos, articles, brochures, business cards, and it can recognize, E-mail, and print out text. The **ColorPage-SF600** is bundled with powerful software to assist your editing ability.

In addition, the easy to carry on **ColorPage-SF600** is an ideal device for people who are constantly on business trips. Because of their daily business routine, the **ColorPage-SF600** offers them a timesaving solution for handling information at a very cost-effective price. With two easy touch buttons for scan and custom, the **ColorPage-SF600** provides a user-friendly interface so you can enjoy the beauty of a colorful image world.

*Features:*
